Personal service

Because our team is on the ground, you get a truly personal service. Not only do we know our customers by name, we work with them to ensure their offices continue to meet their needs as their business grows and develops. It's the reason why customers rarely ever leave Wellington Place.

Consistent standards

At MEPC, we're committed to building industry-leading developments that continually exceed expectations. That's why we manage our own properties, and put a team on-site to ensure our impeccable standards are met. The security guards, electricians, gardeners and maintenance staff are led by an estate management team, so you can rest assured that any issues will be dealt with quickly and professionally.

Future-proofing

As your business grows, your needs will change – which is why we pride ourselves on being flexible. Our ambitious developments offer space to grow, and many of our customers have already expanded into new offices.

Stability and confidence

Wellington Place is one of four successful developments run by MEPC. It's funded by the BT Pension Scheme, through Hermes Investment Management, and the Canada Pension Plan Investment Board. They are long term investors, with strong sustainable funds, and they know a good investment when they see one. So you can make your move with complete confidence.
