

Wellington Place Lunchtime Walk 1 Waterways

This map shows you a walking route that you can complete during your lunch hour, allowing you to discover something new, stretch your legs, clear your head, have some 'me' time or catch up with a friend. The walk is 2.5-3km in length and will take 30-40 minutes at an average pace.

If you have a route you'd like to share with us, or any questions, please email the Wellington Place travel team at emily.ingham@foreconsulting.co.uk

West Yorkshire Combined Authority's CityConnect programme is aimed at making it easier for more people to cycle and walk more often. We work with employers, colleges, universities, apprentices and jobseekers to encourage people to build walking into their daily routine, including the journey to and from work, education and training.
